Volume 3, Issue 1

January, February, 2005

Dear Soul Winning Partners,

Grace & Peace to you from God our Father and the Lord Jesus Christ. As I write this letter to you, I am reflecting back on 2004 and what WE have accomplished by working together for our wonderful Savior, Jesus. Nothing is impossible for us as we continue in faith and unity in the work of the Lord. Through your prayers and support we have continued to throw out the spiritual net to catch thousands of Thai unbelievers for our Lord! Though the work has been very profitable there are yet multitudes in the valley of decision. The Thai population is approximately 66 million people, and less than 1% are born again believers! We still have much work to be done.

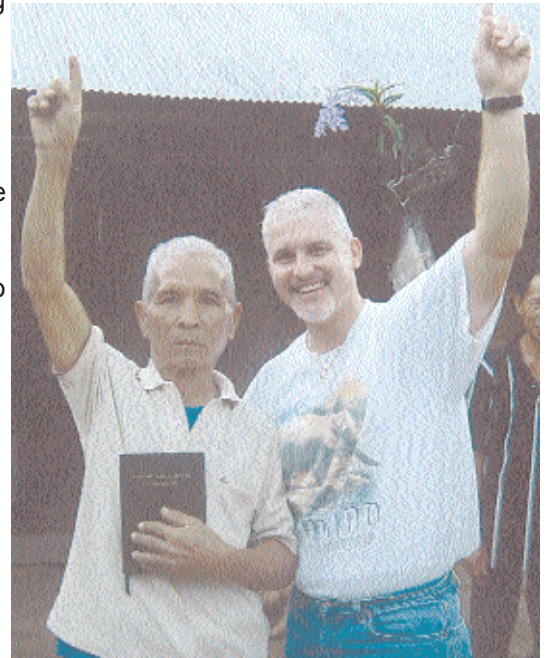

I am taking a team of 10-12 men with me on the upcoming trip in February. Some of these men are from England, Africa and Singapore. This trip, we are going to split the team up and have two Pastor's conferences a day and two crusades each night. This is more than we've ever done before. There will be eight crusades in all. I know we can do ALL things through Christ which strengthens us. (Philippians 4:13) We are going to double our efforts and make use of every minute. I feel in my spirit an urgency to get the good news of Jesus Christ to as many people as we can. We all have good news to tell, too good to keep quiet. I want to encourage you in 2005 to begin to tell others how good Jesus has been to you. We may not know all the right scriptures and words to use, but we all have good news to tell.

trip is doing great! He and his family are going to church and keeping the faith. We are going to have two nightly crusades in his village. Pastor Timothy Tang from Thailand said that the former witch doctor and the people in his village are very excited and

eagerly awaiting the crusades. To God be ALL the glory!

Former witchdoctor attends church now and is excited about us coming to his village for two crusades.

I know this is going to be the year of the harvest. Revelation 14:15 says, "Thrust in Your sickle and reap, for the time has come for You to reap, for the harvest of the earth is ripe." The harvest truly is ripe. There is a hunger in Thailand. When we go and preach Jesus to

them the Holy Spirit has already prepared their hearts and they quickly receive Jesus. Thank you so much for all of your prayers. I know that because of your prayers the Holy Spirit is able to do a work only He can do.

Please begin praying now for the upcoming trip, February 7th - 19th. As I said earlier we are doubling our efforts and holding more meetings than ever and with this comes more expenses. We again will feed and lodge some of the pastors that travel from far distances. Thank you for your prayers and support! We are doing this together. We ALL will reap the benefits for saving souls! You will not reap any less than I will. Your prayers and support allows me to go, but we are one body, working together for one cause, JESUS. I love and thank God for you!

Please be in prayer for the precious people in Southeast Asia. I'm sure you know of the recent disaster that hit Thailand and other areas. This was a terrible tragedy and only Jesus can bring comfort and peace. The work we do is in Northern Thailand, so this will not effect our trip. I spoke with Pastor Timothy and he said that everything in the North is good.

Also, for the people in Douglas, GA and surrounding areas, join me Sundays at 9:00 AM & 5:00 PM on DCTV Channel 3. God has opened this door for me and I am so blessed and feel so honored to be able to share with you weekly how good our God is! Jesus Is Lord!
