Dear Soul-winning Partners,

Grace and Peace to you from God our Father and the Lord Jesus Christ.

Our Lord had done so much in the nation of Thailand and Myanmar the past 3 years. My heart is overwhelmed and I am so excited to be doing the work of the Lord. I believe preaching the gospel to the lost and seeing them get born again is the best job on the planet. As we preach Jesus here in the temporal world, it is affecting the spiritual world. The spiritual world, called the Kingdom of God is eternal.

When people that are lost; hear the word of God and that Jesus died for their sins, they believe and are born again; that means "born from above". They are brought out of darkness into the light. That Light is Jesus and when He comes in He will light up your world. Souls are eternal!

Partners we can reach this generation for Jesus!

TOP PRIORITY: There is only one way - **JESUS** and one job - **EVANGELISM** (John 3:16). When God loved, He loved a world. When He gave His Son, He did it for a world. When Christ died, He died for a world.

God's vision is a world vision and our vision is also. Together we are winning souls because we have taken God's Word seriously. Let's not ever have the blood of the unconverted be required at our hands (Ezekiel 33:8, 9). I believe with God all things are possible. Partners as we stay united and keep the vision alive; all of Thailand and all of Asia can and shall be born again. Let's have God's vision – A world vision, a John 3:16 vision. Let us see what God sees, a world that needs saving, and let's

Burmese oppressed by their communist government but set free by Jesus

Partners lets plant seven of these churches! One plants, another waters, but God gives the increase. 1Cor 3:6

continue to **GO**. Let's believe God to anoint us to go preach to all the world: Europe, Asia, Africa, North & South America and all the Island Nations - all the world, every creature.

Soul-winning must be our top priority! When it is, we will invest more in it than anything else, you allot more of your time to it than anything else – more of your energies, your efforts, your thoughts, your money, your very life. World evangelism is the one way we can make sure that the blood of the unconverted will not be required at our hands.

I leave again September 19 – October 1, 2005 to go back to Thailand and Myanmar. I have 7 churches ready to plant. I can plant one for \$2,000.00 US dollars, which is a block build-

ing with a metal roof; a great looking church for the Thai people. Please pray for me and please continue to support this work as the Lord leads you.

I also greatly need your support to purchase Bibles for these precious people. Remember when you send me; you will get the same reward as I in the Kingdom of God! Together let's light up Thailand and Myanmar with Jesus Christ.

Thanks for you prayers and support!
